

NEHEMIAH

# Old Testament Timeline

# Jewish Restoration (post captivity)

- Zerubbabel – ~539-573 B.C. Led the first group of exiles back to Jerusalem and supervised the building of the temple (Ezra 2)
- Ezra the scribe (almost 80 years later) came with a second group, bringing sweeping reforms through the ministry of God's word.
- ~13-14 years later Nehemiah was burdened by God about the conditions of Jerusalem.
